

Melodic and Harmonic Intervals

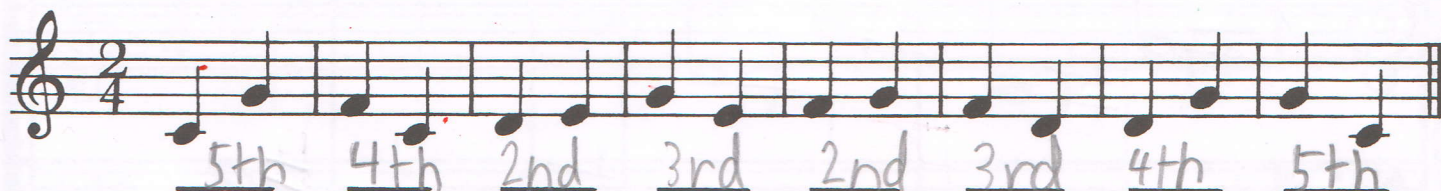

Melodic intervals have two notes that are played separately, one at a time.

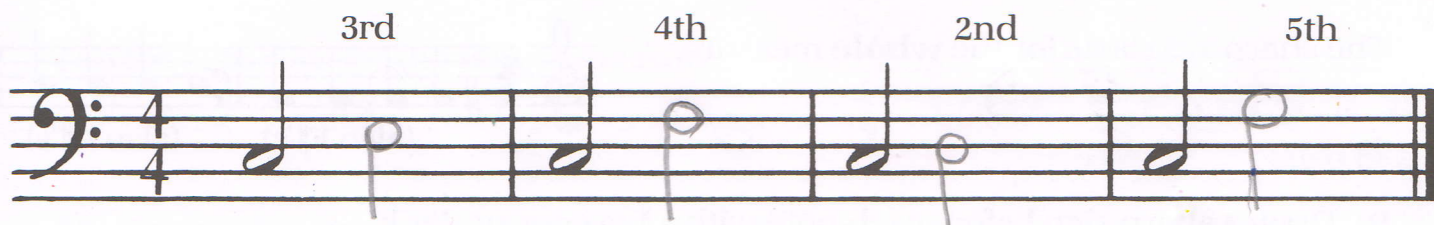

Harmonic intervals have two notes that are played together.

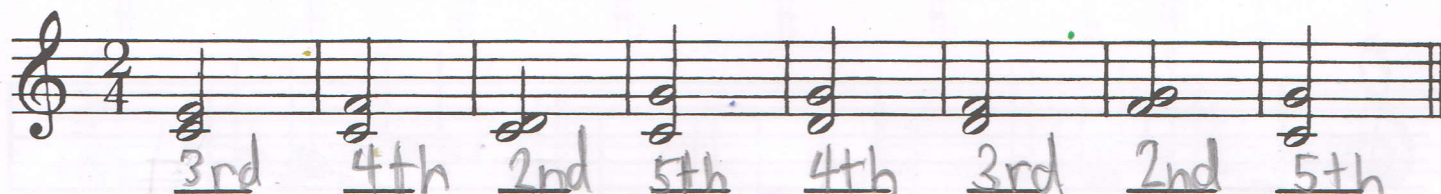

3. Write the names of these melodic intervals. Play and name these notes.

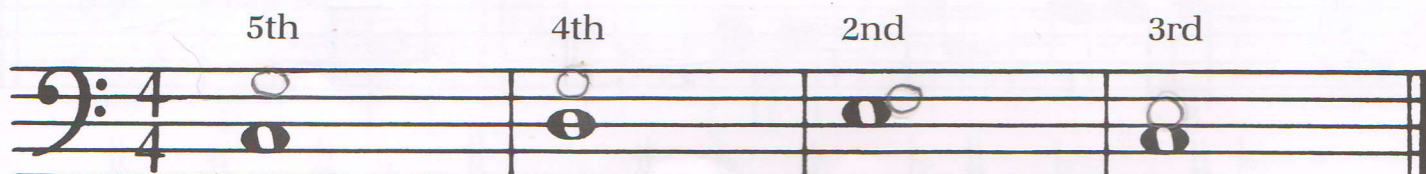

4. Draw a half note after the one given to form a melodic interval, then play each one.

5. Write the names of these harmonic intervals, then play them.

6. Draw a whole note above the one given to form a harmonic interval, then play each one.

Sharp Sign

The **sharp sign** before a note means to play the next key to the **right**.

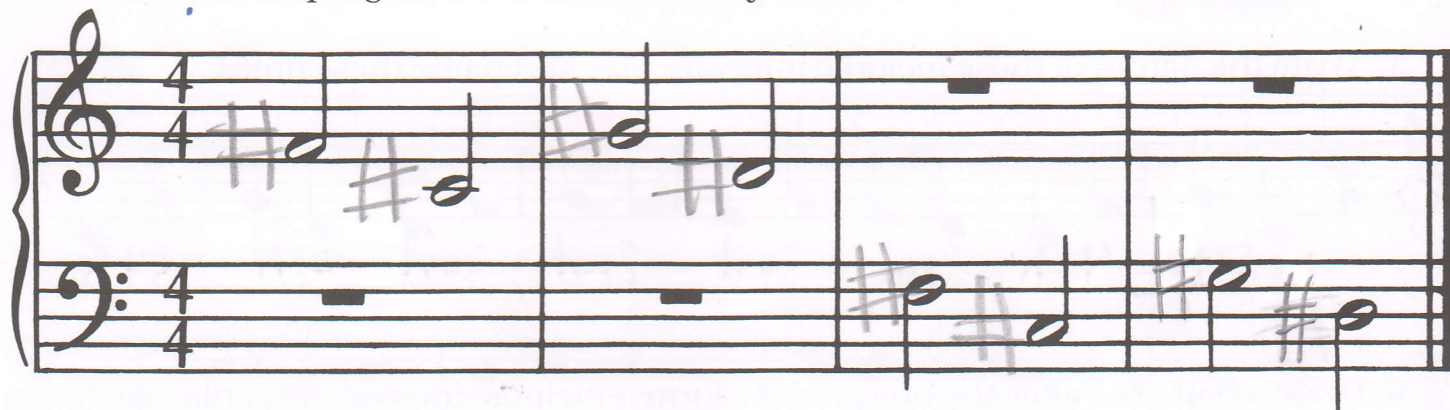

7. Write the names of these sharp notes, then play them.

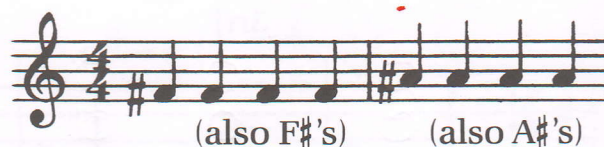

The "square" in the middle of the sharp sign is placed on a **line** or in a **space**.

8. Draw a sharp sign before each note. Play and name these notes.

The sharp sign lasts for the **whole** measure.

9. Draw a sharp sign before each note with a # over or under it.
Play and name these notes.

Flat Sign \flat

The **flat sign** before a note means to play the next key to the **left**.

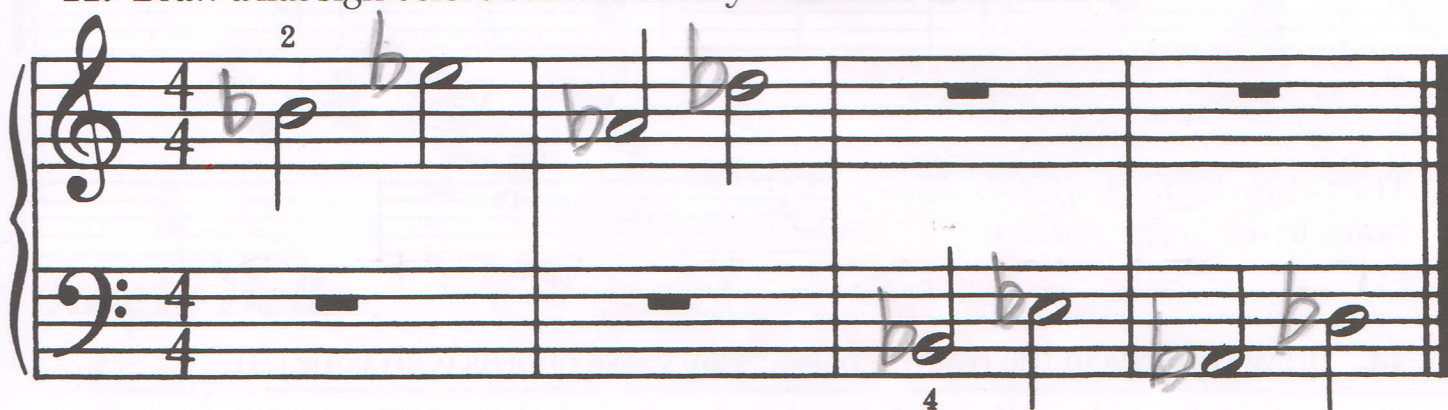

10. Write the names of these flat notes, then play them.

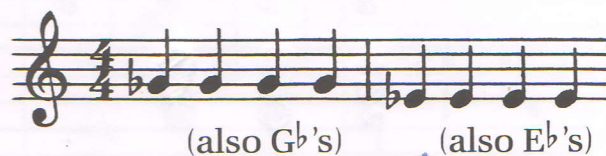

The "round" part of the flat is placed on a **line** or in a **space**.

11. Draw a flat sign before each note. Play and name these notes.

The flat sign lasts for the **whole** measure.

12. Draw a flat sign before each note with a \flat over or under it.
Play and name these notes.
