

# BLACK KEYS AND . . .

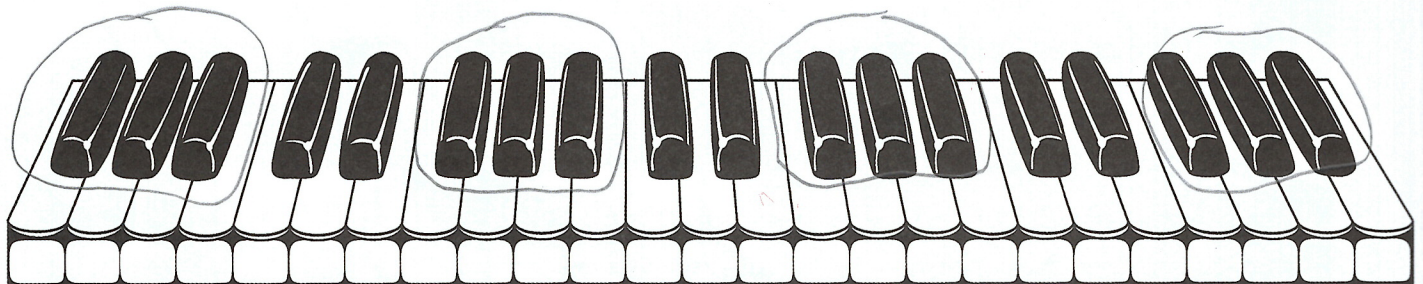

The keys are  
black and white  
like my shorts!

1. Circle the groups of two black keys.

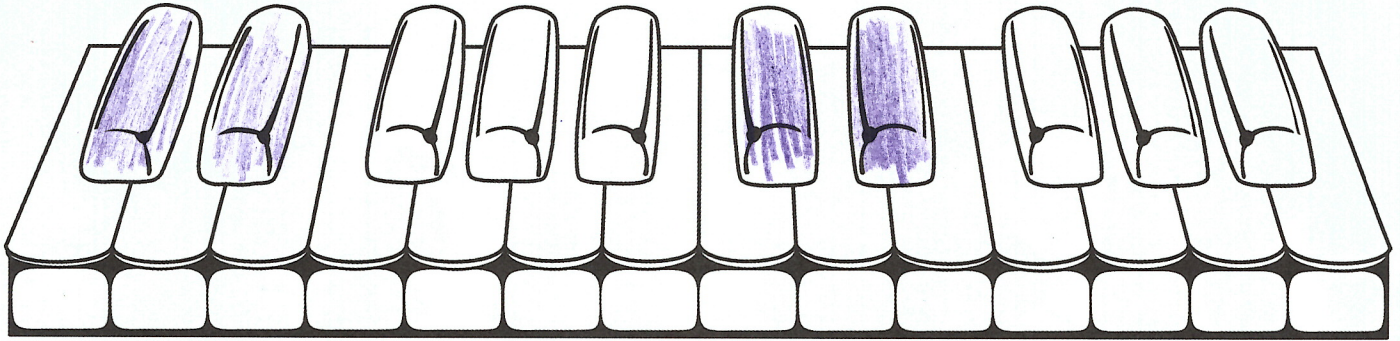

2. Circle the groups of three black keys.

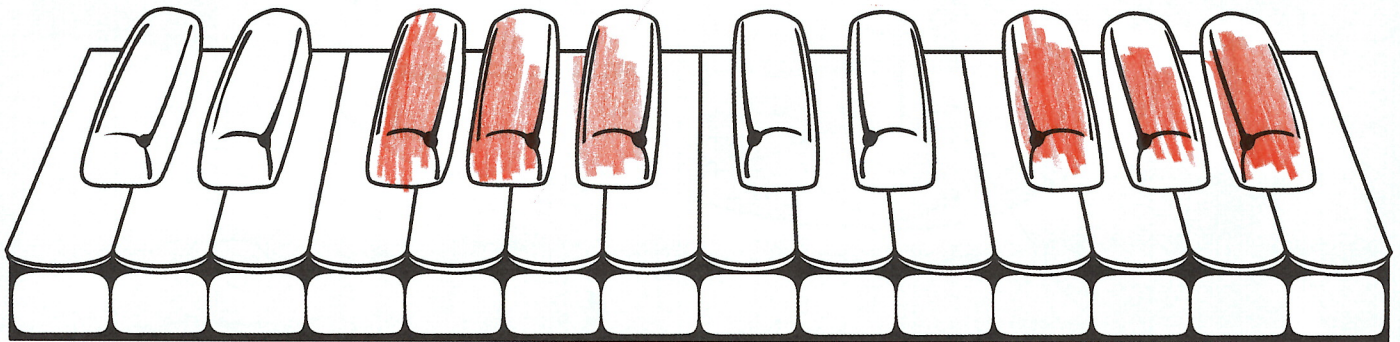

# ... MORE BLACK KEYS!

3. Color the groups of two black keys purple.

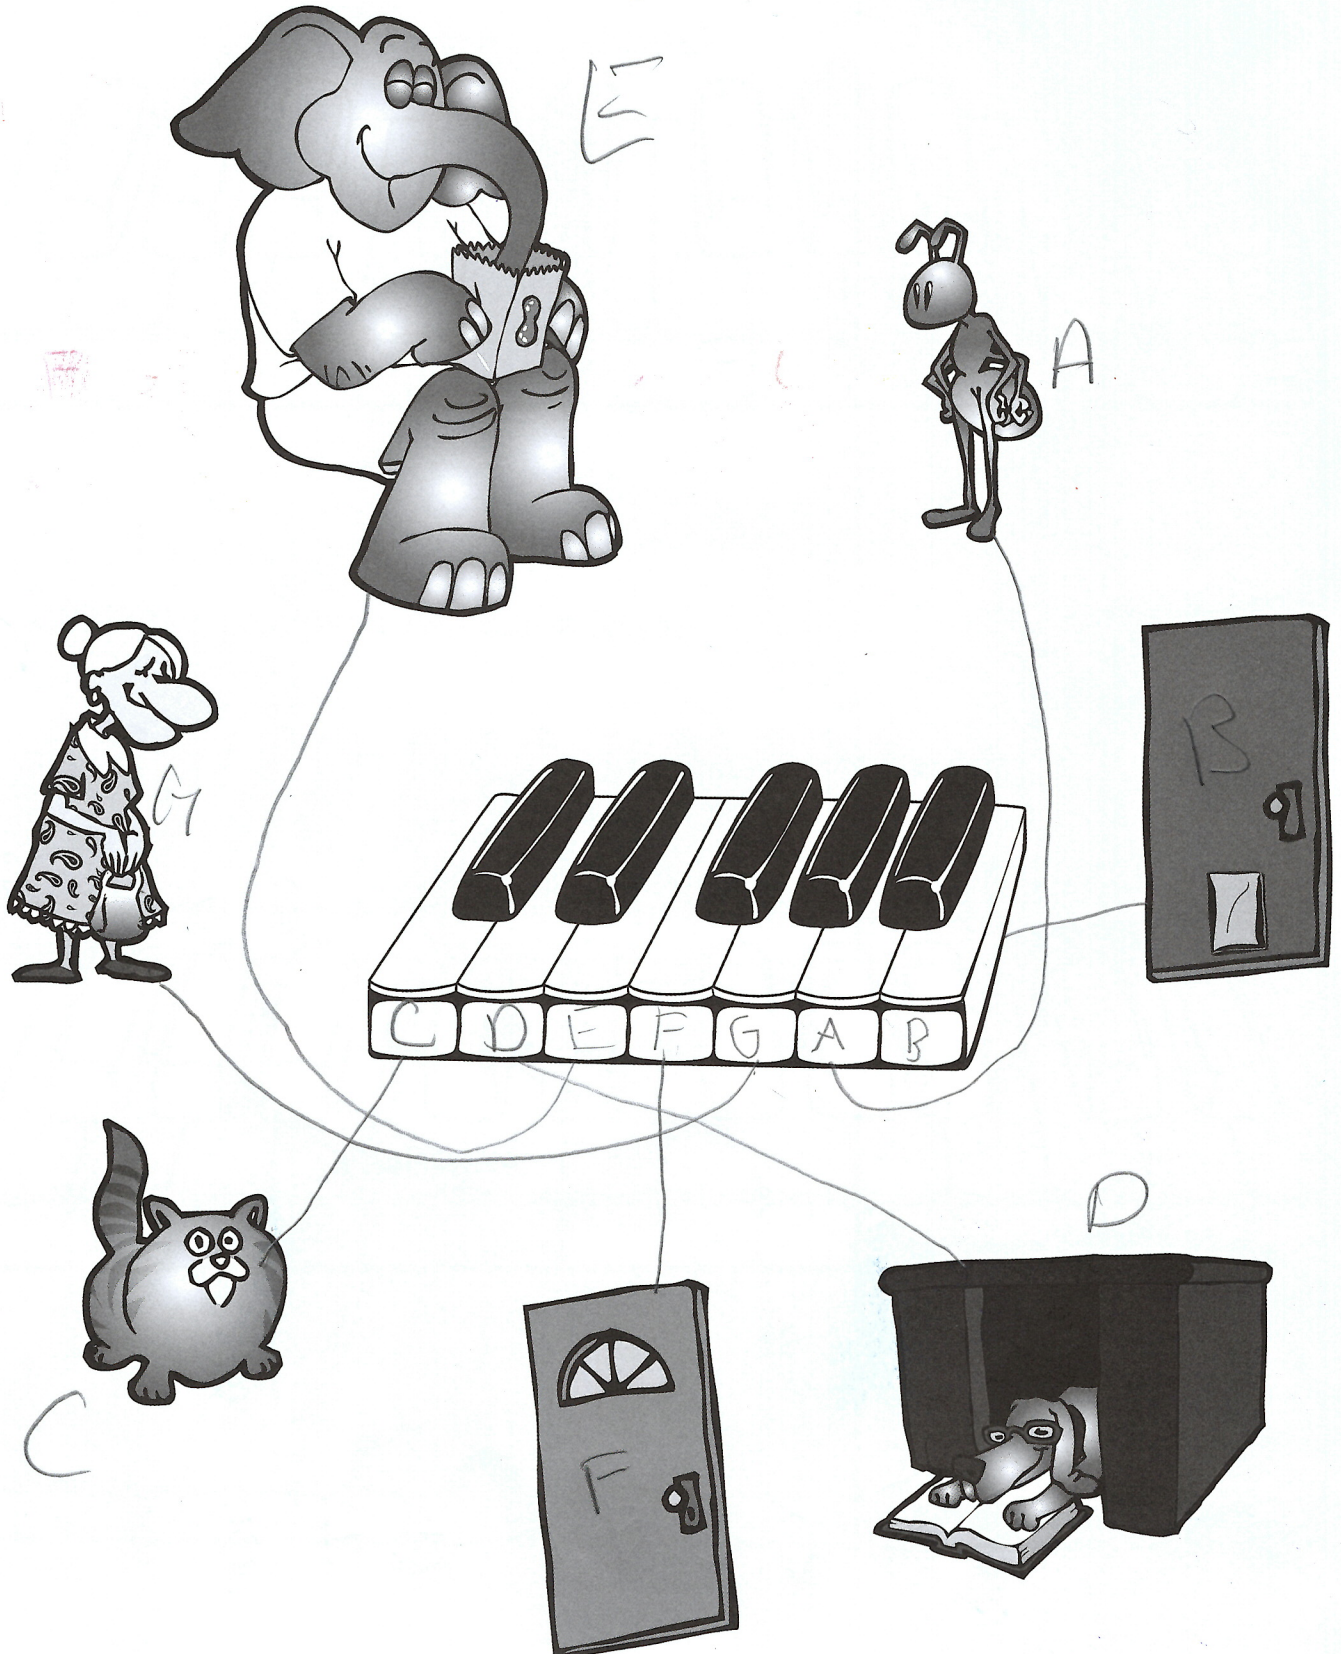

4. Color the groups of three black keys orange.

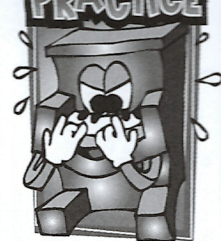

# WHITE KEYS AND . . .

1. Draw lines from each picture to its matching key.

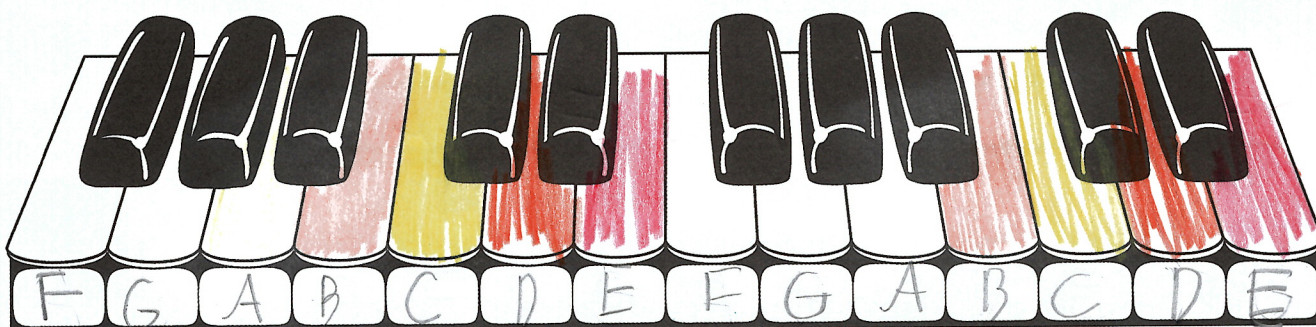

# ... MORE WHITE KEYS!

2. Color all the: **D**'s on the keyboard *orange*.

**C**'s on the keyboard *yellow*.

**E**'s on the keyboard *red*.

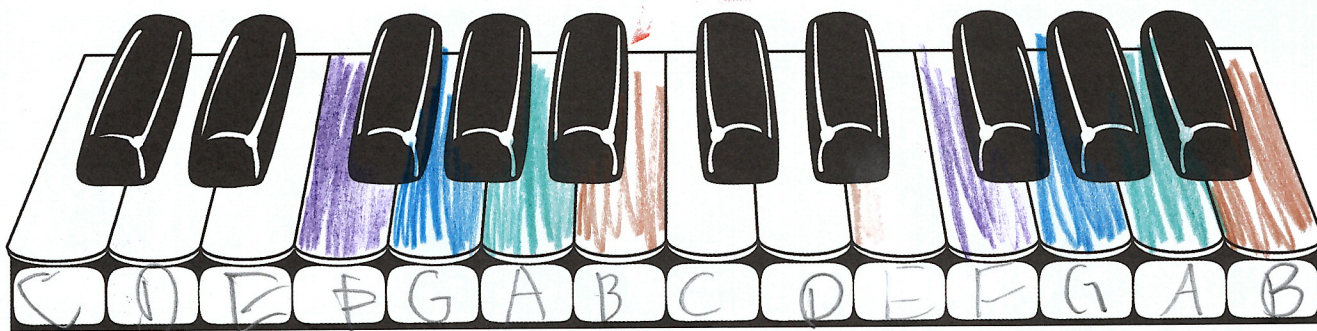

3. Color all the: **A**'s on the keyboard *green*.

**G**'s on the keyboard *blue*.

**F**'s on the keyboard *purple*.

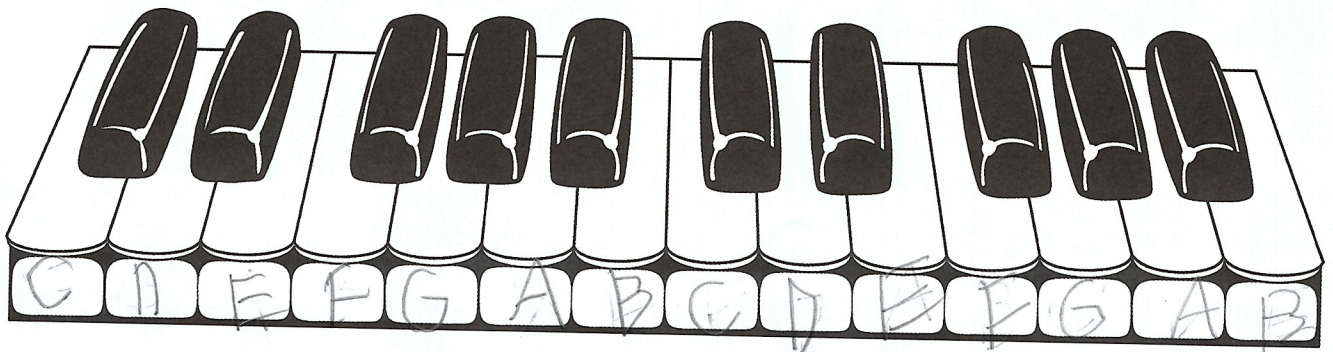

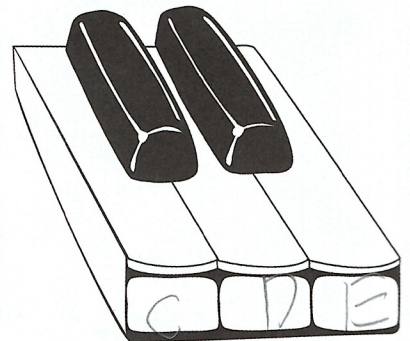

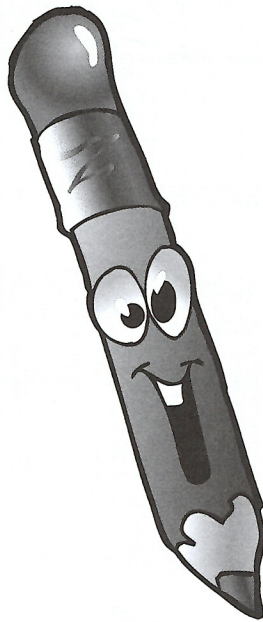

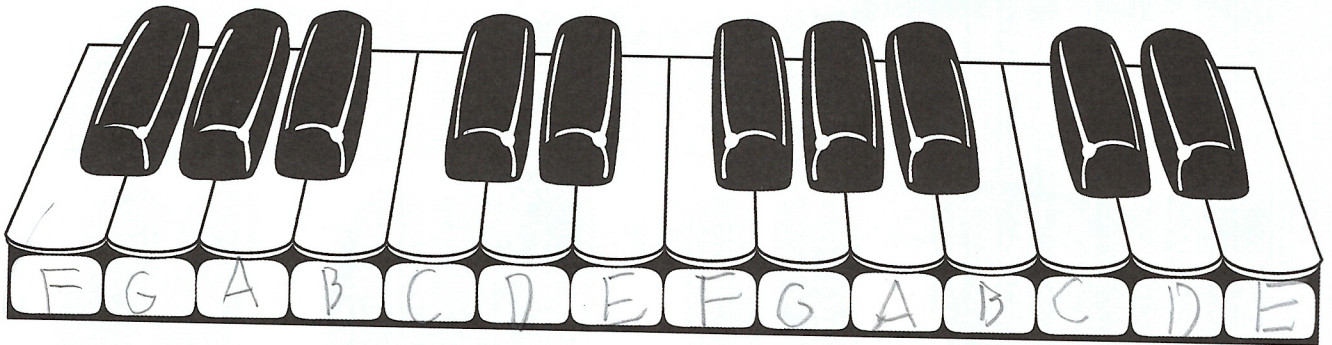

**B**'s on the keyboard *brown*.

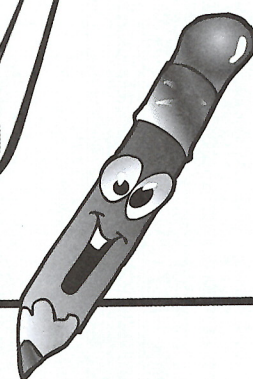

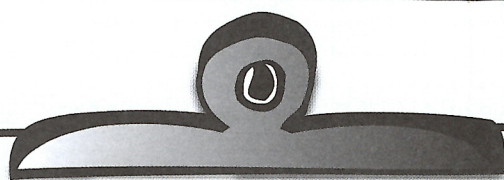

# NOTE NAMING

Write the names of the notes on the white keys.

# YOUR OWN STORY

Create your own story for remembering the keys on the keyboard.

One day, a Cat, Dog, Elephant, Frog,  
Giraffe, and Ant were all playing  
Bingo!

# THE HURRICANE

A hurricane blew through the house. The white keys on the keyboard were scattered all around the room! You will find them on the next page. Cut them out and glue or tape them back in their correct place around the black keys below.
