

UNIT 8: GUIDEPOSTS - G'S AND F'S

The curly part of the G clef wraps around the "G" line. This line note is called **treble G**.

I have two names.
Sometimes my friends call me Ed, and sometimes they call me Edgar. This symbol also has two names. Sometimes it is called the treble clef and sometimes it is called the G clef.
It even looks like a G!

The next G above treble G is **high G**. It sits high on top of the G clef staff.

Here are the guidepost **G**'s on the keyboard.
